Sir

I have the honor to submit the following proposal regarding the Government Chatteam in the town of Chellakere of the Chellakere Taluk of this District

2 As shewn in the Yellow Margin the pay of the Seven Servants borne on the establishment of this Chatteam, is Rs 13-14-0 per mensum. This with the Paditaya allowance of Rs 17-4-0 makes a total monthly tastik of Rs 31-2-0. In addition to their the Servants Consum-

the bulk of the Padiyara allowance,
thus leaving very little
to be spent for the benefit of bonafide
travellers. The practice of serving
cooked food to travellers may in
my opinion be advantageously
discontinued.

3 The establishment is unnecessarily
large. Two servants seem quite
ample, one of them will be both
Cook and waterman while the other
will be the Sweeper. The pay of
the former should I think be
raised to 4 Rs and that of the
latter to 2 Rs. In addition to this
Salary, a daily allowance of
1 Seer of rice with Condiments
may be given to the former
and of half Seer with Condiments
to the latter. This liberal remuneration
will make these two appointments

sufficiently attractive

4 My proposal would enable a large number of travellers being given raw rations than at present. The Cook and waterman would be of service to them in bringing water for them, and even in cooking for them on rare occasions.

5 I would recommend that one rupee a month be sanctioned for contingencies, such as lamp oil &c.

6 In the event of my proposal being sanctioned, I shall submit an estimate for the purchase of a few sets of small utensils, as well as, my views as to what should be done with the servants to be thrown

out of employment

I have the honor to be
Sir
Your most obedient Servant

Sir,

With reference to your docket No 310/24-93 dated the 24th September 1893 calling for a report as to what provision or would be made for the Servants to be thrown out of employment by the introduction of the system of issuing raw rations in the Anna Chattram at Challakere, in lieu of the existing practice of giving cooked food, I have the honor to state that out of

the

the 7 Servants borne on the es
Establishment of this Chattram,
three have long been absent
from duty & need not therefore
be taken into Consideration.
Two, out of the other four, will
be retained on the revised esta-
-blishment of the Chattram -
The other two have had such
short Service that no provision
need be made for them.
